Dear Josh:

Last week I attempted to reach out to the State of General Services. I either spoke to Sylvia or Janice – I cannot remember. However that is why I followed up again. I am hoping that with your magical powers will be able to contact some one who will be able to assist us.

Let me know

Hi Lisa:

Has there been two-way communications between you and Sylvia Calderon (DGS) or has it just been your email to her?

Thanks!
-josh

Dear Tim and Josh:

I will be meeting with the Hollywood Media District's Executive Committee next Thursday and I would very much like to provide them an update as to the State of California's past due obligation to our organization. As you can see from my email below that there has been two (2) demand letters sent to the State of California – Department of General Services. One letter from the Hollywood Media BID (attached) and the other from the City of Los Angeles with copies to actual individuals within DGS.

Do you have a contact at DGS - I have a feeling that I am going to be ignored and no one is going to process my request for payment.

Let me know,

Subject: Hollywood Media District Past Due Special Assessments DMV & EDD Parcels $163,227.03

Dear Sylvia:

I am not sure if I spoke to you or Janice last week, however I am the Executive Director of the Hollywood Media Business Improvement District and I am seeking direction in obtaining payment for delinquent special assessments due to our BID from the State of California.

I have attached a letter which I sent to RESD Headquarters back on April 20, 2016 and I am

hoping that you will be able to direct my correspondence to the correct staff member either Jacque Roberts or Jemahl Amen. Further there have been other letters sent on our behalf by the City of Los Angeles requesting payment for the past due special assessments in which the following were copied: Jacque Roberts, Jemahl Amen, Richard Chivaro, and Audrey Noda. This document was about an inch thick with all invoices for DMV, invoices for EDD, chart of unpaid assessments for both DMV and EDD, Hollywood Media District Management Plan and Engineer's Report, as well as a demand letter from the Hollywood Media District.

Please let me know who I should direct my request - as it is imperative that this past due monies are paid to our organization.

Thank you,
